TERMS

We agree to provide a safe and sanitary boarding environment for your pet. Only pets certified on this agreement by their owners as current on all vaccinations and free from communicable diseases will be admitted. ***In case of illness or injury that cannot be treated by Kennel staff or owners, Kennel agrees to transport the pet to the vet as indicated on this agreement and to contact owner, if possible, to inform them of the need for veterinary attention prior to transportation of the pet. If an emergency is deemed to exist in the professional judgment of the Kennel, immediate transportation of the pet to the vet will occur with subsequent owner contact, if possible. We reserve the right to use Palouse Animal Wellness & Surgery Center or the Animal Clinic in place of your pet's normal veterinarian. The Kennel will not be liable in any way for veterinary bills resulting from treatment of the pet.*** Be aware that pets, especially older pets, are placed under a great deal of stress because of the removal from their normal home environment. This stress can cause latent (dormant) physical conditions (such as heart, liver and kidney disorders) to become active or compromise the immune system resulting in illness such as bloat, diarrhea, kennel cough, depression, nervousness, dehydration, and even death. Pets are fed a quality dog/cat food twice a day unless other instructions are left by the owner. Kennel reserves the right to refuse service for any reason. In case owner of pet has not returned to pick up pet after 10 days of agreed date and time set for pick up, Kennel may place pet at a shelter or home of Kennel's choice. If a shelter or a home is not available, the Kennel reserves the right to do whatever is necessary. ***Kennel does not assume and shall not be held responsible for any liability with respect to the pet listed on this agreement of any kind, character, or nature whatsoever, arising out of or from the boarding of this pet, or any damages which may occur from any cause whatsoever including loss by fire, theft, running away, death, injury to persons, pets, or property, or death or injury to any other pet caused by the within named pet whether this pet be on the premises of the Kennel or not, and the owner of pet agrees hereby to be and is solely responsible for any and all acts of behavior of said pet at any time within the term and time of this agreement.*** In no case shall the Kennel be in any way liable or responsible. Owner will provide Kennel a detailed medication schedule for all pets admitted with owner noted or anticipated medical problems/conditions. Owner certifies that all medical conditions have been revealed to Kennel. Owner agrees to payment of boarding bill, in full, at time of pet pickup. See board for additional charges and current prices. At times, pets are allowed to play with other pets while supervised in an enclosed grassy area. ***Please let Kennel know if pet does not get along with other pets and/or people.*** Exercise is provided twice a day in a fenced grass yard. Kennel is not responsible for items brought along with your pet like blankets, beds, toys, etc. Items brought with your pet must be clean and free of parasites. Some toys/chewies left for your pet can be a choking hazard. Your signature indicates that you are aware of this hazard and are willing to take the risk. ***My initials indicate that I agree to the above terms and conditions, that my pet is current on all vaccinations required, and all medical conditions and behavioral issues have been revealed to the kennel receptionist.*** _____
